

Underbench Cabinet – 90 Minute Fire Rated Cabinet

Model Code: UB90.060.059.S

Model # UB90.060.059.S
Pull-out Drawer option

Function / Construction:

- **GS approval, CE conformity, EN 14470-1, EN 14727 conformity (laboratory furniture).**
- **Fire resistance 90 minutes**
- **Robust Construction & Longevity** – safety elements assembled outside the storage compartment for increased protection against corrosion, easy to clean.
- **Convenient handling** – doors can be opened with minimal effort.
- **User-friendly & safe** – door open arrest system, convenient & safe removal of storage of containers.
- **No unauthorised use** – doors lockable with cylinder locking (integration in a locking system possible).
- **Easy alignment** – adjusting aids to compensate for uneven floor.
- **Quickly put into operation** – integrated air ducts ready for connection (NW75) to a technical exhaust system.
- **Tested and certified** – according to the stricter GS principles
- **Maximised interior height** – ideal for the storage of 30 litre containers, convenient removal and storage of containers, problem-free connection of stored containers to supply/disposal pipes.
